PROGRAM TECH SPECS

Program Name: *Open Line*

Program Description: There are times in every believer's life when personal Bible study raises questions. Where do you turn when you need guidance and a deeper understanding of God's Word? Moody Radio is making it possible for you to bring your Bible questions to Dr. Michael Rydelnik every week. Dr. Rydelnik hosts a two-hour, live Bible Q&A program where your questions are the focus. Dr. Rydelnik will provide answers straight from Scripture and, when possible, bring additional historical context from his wealth of knowledge and experience.

About the Host: Michael Rydelnik is professor of Jewish Studies at Moody Bible Institute. The son of Holocaust survivors, he was raised in an Orthodox Jewish home in Brooklyn, N.Y. Michael trusted in Jesus the Messiah in high school and has been ministering within the Jewish community ever since. He is the author of *Understanding the Arab Israeli Conflict* and *The Messianic Hope*. Michael served on the translation team of the *Holman CSB* translation and contributed to several other books and study Bibles. Michael is a regular contributor to the *Day of Discovery* television program and appeared in the Lee Strobel video *The Case for Christ*.
